

The Presidential Race is on Xanana Vs Xavier: From the Campaign Trail

It's Your Right to Vote

In mid-March, the two presidential candidates, Xanana Gusmao and Francisco Xavier do Amaral launched their political campaigns. Besides district tours, the two have also appeared on TVTL's Direct Access and Soru Moto programmes explaining their political platforms. Hundreds of people, young and old, have turned up for rallies to listen to what their leaders are offering once elected President.
