## Key implementation Priorities

**ENHANCING SITUATIONAL AWARENESS**
- Assess Challenges
- Consultations
- Establish Advisory Group
- Establish Implementation Group

**LEVERAGING TECHNOLOGY FOR UNIFORMED PEACEKEEPERS**
- Desk Review & Mapping Exercise
- Consultations & Survey
- Findings & Insights

**ADDRESSING MIS- & DISINFORMATION**
- Assess Scope and Impact
- Recruitment and Onboarding
- Establish CoPs
- Outreach
- Create trainings, guidance material, technology tools

## High Level Roadmap

**Priority Projects**

**ENHANCING SITUATIONAL AWARENESS**
- Project Setup
  - March–April
  - Functional Requirements
  - Business Processes
  - Technical Specifications
  - Build and Test Solution
  - Deployment to Production
- Pilot Implementation UNFICYP
  - May–June
  - Monitoring
  - Lessons learned
- Implementation in a Multi-dimensional Mission

**LEVERAGING TECHNOLOGY FOR UNIFORMED PEACEKEEPERS**
- Desk Review & Mapping Exercise
- Consultations & Survey
- Findings & Insights

**ADDRESSING MIS- & DISINFORMATION**
- Assess Scope and Impact
- Recruitment and Onboarding
- Establish CoPs
- Outreach
- Create trainings, guidance material, technology tools

### Enablers

**DIGITAL ENABLEMENT TEAM**
- Recruitment
  - Onboarding P5
  - Onboarding D1

**MODERN DATA ECO-SYSTEM**
- Recruitment
  - Onboarding P5
  - Enable Data Architecture, Cloud Technologies and Interoperable Systems

**GOVERNANCE**
- Establish Governance Framework
- Implementation

**DRIVING INNOVATION**
- Consultations on Innovation Options
- Ongoing Engagement with Technology Partners

**PARTNERSHIPS**
- Enhance Data and Information Management Capacity

**CAPACITY BUILDING**

### Key implementation Priorities

**ENHANCING SITUATIONAL AWARENESS**
- Enhancing Existing Systems
- Enhance Data and Information Management Capacity
- Enable Data Architecture, Cloud Technologies and Interoperable Systems

**LEVERAGING TECHNOLOGY FOR UNIFORMED PEACEKEEPERS**
- Enhance Data and Information Management Capacity
- Enable Data Architecture, Cloud Technologies and Interoperable Systems

**ADDRESSING MIS- & DISINFORMATION**
- Enhance Existing Systems
- Pilot Emerging Technologies
- Pre-deployment Preparedness
- Simplify Processes

### Implementation in a Multi-dimensional Mission

2022
- Project Setup
  - March
  - Assess Challenges
  - Consultations
  - Establish Advisory Group
  - Establish Implementation Group

2023
- Pilot Implementation UNFICYP
  - May
  - Monitors
  - Lessons learned
