Support in set-up and operation of mission-owned Modular Command Centres (MCC) and Modular Power Packs (MPP). Capacity-building for UAS operations, i.e. cartography, use of ortho and thermal cameras, live video streaming, systems for detection of hazardous substances for civilian purposes.</p> <p><b>Safety and Security of Peacekeepers, including medical:</b> Provision of and training on Counter-Improvised Explosive Devices (C-IED) -equipment to Troop Contributing Countries with UNMAS (1,500,000€), intent to support with additional 850,000€. Piloting Transport- Unmanned Aerial Systems for medical logistics in missions (1,331,357€), intent to support with additional 2,800,000€. Provision of and training on 3000 Buddy-First-Aid Kits for T/PCCs (480,000€). Improvement of MEDEVAC/CASEVAC in mission (220,000€). Digital solutions for Mental Health Support (500,000€). In-Mission Mental Health Training.</p> <p><b>Environment:</b> Provision of and training on renewable energy systems in a capacity building partnership with UN DOS to enhance the Operational Resilience of UN Peace Operations and TCCs, saving up to 1,000,000 liters of diesel (4,050,000€), intent to support with additional 5,200,000€.</p>
--	--

	<p>- Provision of funding for the deployment of climate security advisors in missions via the Climate Security Mechanism (ca. 450,000€).</p> <p><b>Women, Peace and Security:</b> Support DPO implementing WPS (1.339.819€) and addressing CRSV (685.910€) intention to contribute an additional 600.000€). Support to Uniformed Women Peacekeepers Network (WPN) (1.000.000€). Provision of 1000 Personal-Protective-Equipment (PPE), adequate female Peacekeepers deployed (500.000€). Annual offer to Women Peacekeepers to participate in the UNMOC at the UN Training Center of the German Armed Forces.</p> <p><b>Technology:</b> Support DPO using data to enhance Protection of Civilians (POC) (792,000€) and intent to support with 600,000€. Support to Unite Aware (800,000€), Big Data Radio Mining Analysis / Unite Wave (275,000€) and digitalization of training scenario “CARANA” (154,362€).</p> <p><b>Strategic Communications and Information integrity:</b> Support DPO on Strategic Communications (334,165€), Addressing Mis/Disinformation (651,967€). Jointly host with France a ToT- Course and international conference on Mis/Disinformation in 2026.</p> <p><b>Funding:</b> Support to DPO’s Comprehensive Planning and Performance Assessment Systems (CPAS) (782,000€). DPO OROLSI DDR project (1,101,068€); Rule of Law and Prevention Project for West Africa (696,234€) and intent to support with 800,000€. Intent to support DPO OROLSI project on Rule of Law with WPS/YPS focus (500,000€).</p> <p><b>Other:</b> Support the EOSG in SOTF follow-up with a focus on the Secretary General’s review on the future of all forms of peace operations (297,554€). Gratis personnel to UN-Secretariat. Hosting Peacekeeping SRSG Retreat in Berlin. Hosting trilateral workshop (UN, AU, EU) on emerging topic.</p>
<b>Ghana</b>	<p><b>Uniformed capabilities:</b> Military Staff Officers for FHQ/SHQ, Military Gender and Protection Advisers and IED experts; one FPU and IPOs</p>

	<p><b>Peacekeeping Training, Capacity Building, and Partnerships:</b> Host the 2025 Challenges Annual Forum (CAF) to contribute to the Review of Peace Operations; conduct Training of Trainers (ToT) of Pre-Deployment Training for Formed Police Units; host two FPU Command Staff Course and a FPU STM; and host international Training of Trainers programme – CPTM, UNPOL STM, and JST both in partnership with the Light Coordination Mechanism (LCM); support UNPOL Training Architecture on Mobile Training basis</p> <p><b>Women, Peace and Security:</b> Increase numbers of women participation</p>
<b>Greece</b>	<p><b>Peacekeeping Training, Capacity Building, and Partnerships:</b> Support PCRS Rapid Deployment Level workshop; support the development and implementation of a UN counter-UAS strategy; offer sponsored (no tuition fees) courses on: UN Military Observers, Building Integrity Online, Refugees/Dual-Goods Use, International Humanitarian Law Online, Cultural Property Protection, and Cross Cultural Competency</p> <p><b>Safety and Security of Peacekeepers, including medical:</b> Develop a psychometric tool for the prevention of mental illness (PTSD)</p> <p><b>Technology:</b> Develop a portable autonomous hybrid power plant (photovoltaic cells, batteries, power generators) for the ‘UN Smart Camp’</p>
<b>Guatemala</b>	<p><b>Uniformed capabilities:</b> One Quick Reaction Force Company</p> <p><b>Women, Peace and Security:</b> Conduct an International Seminar “Women, Peace and Security”</p> <p><b>Technology:</b> Conduct an International Course for Tactical Drone Operators</p>
<b>Guinea</b>	<p><b>Uniformed capabilities:</b> Two Infantry Battalions and 100 Individual Police Officers</p> <p><b>Peacekeeping Training, Capacity Building, and Partnerships:</b> Making the Peacekeeping Training Center available for UN Courses and Training</p>

<b>Hungary</b>	<p><b>Peacekeeping Training, Capacity Building, and Partnerships:</b> Host two military peacekeeping training courses: International Military Observers Course, and the Peace Support Operation Cooperation Course in 2026; provide facilities for two other military peacekeeping training courses: Train the Trainers for revised UN Military Observer Training Module, and for UN Staff Officer Training Module; and organize a regional Selection Assistance and Assessment Team evaluation for Central and Eastern European law enforcement personnel in February 2026.</p> <p><b>Funding:</b> Financial support for the Digital Transformation of UN Peacekeeping project (\$87,000)</p>
<b>India</b>	<p><b>Uniformed Capabilities:</b> One Quick Reaction Force (QRF) Company; one male armed police (CRPF) or mixed armed police (CRPF); one Women-led Formed Police Unit; one Counter-IED/EOD Unit; one K9 Unit; and a SWAT Police Unit</p> <p><b>Peacekeeping Training, Capacity Building, and Partnerships:</b> Conduct UN Pre-Deployment Training of Trainers Course; a UN Military Observers Course; a UN Contingent Commanders Course, a UN Female Military Officers Course and International Courses by UNCIVPOL Centre</p>
<b>Indonesia</b>	<p><b>Uniformed Capabilities:</b> One Engineering Company; one Level 2 Hospital; and one Formed Police Unit (with SWAT) for elevation to PCRS RDL</p> <p><b>Peacekeeping Training, Capacity Building, and Partnerships:</b> Support UN training and capacity building as a hub for international peacekeepers</p>
<b>Iran</b>	<p><b>Uniformed Capabilities:</b> One Infantry Battalion</p> <p><b>Peacekeeping Training, Capacity Building, and Partnerships:</b> Host a Pre-Deployment Training course for UN Military Observer and UN Staff Officers; and a basic Demining Training for Protection of Civilians</p>
<b>Ireland</b>	<p><b>Peacekeeping Training, Capacity Building, and Partnerships:</b> Capacity building partnership with Malta through co-deployment in UNIFIL; deploy a Counter Improvised Explosive Devices (C-IED) trainer to UNMAS; deliver training workshops in counter IED/HME; host Police Contributing Countries individuals on</p>

	<p>core Pre-Deployment Training courses; host a United National Police, Individual Police Officer, Train the Trainers Course</p> <p><b>Conduct:</b> Dedicated pre-deployment training in dignity and respect</p> <p><b>Environment:</b> Develop water consumption and solid waste generation policies and management materials; support the transition of UN Peace Operations to renewable energy through the installation of renewable energy systems at one or more locations in UNIFIL; and partner with DOS to implement UNOE renewable energy projects in the field</p> <p><b>Women, Peace and Security:</b> Convene, facilitate or support host governments in the organization of biennial multi stakeholder, high-level forums on women’s participation in peace and security matters to mark the UNSCR 1325 25th anniversary and Beijing 30+ ; host a high-level event for CHODs in Q3 2025 incorporating the 25th anniversary of UNSCR 1325 and the 30th anniversary of the Beijing platform for action; host cross-mission learning forums on lessons learnt and good practices on supporting women’s participation in peace and political processes. provide training to Military Gender Advisors before deployment; ensure all commanding officers deployed to UN Peacekeeping are trained on gender-responsive leadership; ensure gender responsive leadership modules in leadership training for leaders of all levels; integrate gender equality and WPS deliverables in all the training packages, modules, and resource materials provided to uniformed personnel; commit to providing a broader size range of uniforms, body armour and personal protective equipment, and commitment to providing gender-sensitive accommodation and facilities, including sanitation facilities</p> <p><b>Funding:</b> Fund project on Operational Transition Preparedness (\$171,000); and the information integrity work stream (\$80,000) for the period 26/27.</p>
Italy	<p><b>Uniformed Capabilities:</b> One Explosive Ordnance Disposal (EOD) Team for UNIFIL</p> <p><b>Peacekeeping Training, Capacity Building, and Partnerships:</b> Formed Police Units (FPU) Commanders and FPU Coordinators workshop; Formed Police Units courses (English and French) in support of Kenya</p>

	<p>and Senegal; and delivery of courses on: Stabilization and reconstruction; Security Force Assistance (SFA); Protection Patrol; Leader Vehicles Recognition; Basic Course on Security Sector Reform (SSR); Hydrography professional qualification Surveyor Category B; Maritime Domain Awareness; Vessel Traffic Service Supervisor; Basic Air Space Management; Contrasting Asymmetric Threats; International Military Police; Stability Police in International Crisis Management Operations; and Capacity Building- Strategic Advising</p> <p><b>Safety and Security of Peacekeepers, including medical:</b> Delivery of courses on: Core Soft Skills (Self &amp; Team Development Stress Management; High Performance; conventional munition disposal; humanitarian demining and reclamation (mine clearance); Military First-AID Immediate Rescue and First AID in Hostile and Impracticable Environments; Global Maritime Distress and Safety System qualification course for rescue communication staff officers; Fire-fighting and Damage Control on board of submarines; Rescue Forces Coordinator</p> <p><b>Environment:</b> Deliver courses on: Environmental protection; Cultural heritage protection; and Advanced Threat Human Being</p> <p><b>Women, Peace and Security:</b> Engagement Team course</p> <p><b>Technology:</b> Deliver courses on: ISR Imagery Analysis; and Synthetic Aperture Radar SAR Imagery Analysis</p> <p><b>Funding:</b> 100,000 € for Triangular Partnership Program (TPP) - Explosive hazard awareness training and counter IED training</p> <p><b>Other:</b> Deliver courses on: CIMIC Module Liaison; CIMIC Tactical Operator; and CIMIC Intercultural Advanced Liaison</p>
<b>Ivory Coast</b>	<p><b>Uniformed Capabilities:</b> One Infantry Battalion and one Formed Police Unit</p> <p><b>Peacekeeping Training, Capacity Building, and Partnerships:</b> Provide training facilities for the delivery of UN training and courses</p>

<b>Japan</b>	<p><b>Uniformed Capabilities:</b> Military Staff Officers</p> <p><b>Peacekeeping Training, Capacity Building, and Partnerships:</b> Provide training under the UN Triangular Partnership Programme (TPP) on engineering and medical; introduce Explosive Hazards Awareness Training (EHAT) into TPP engineering training; promote e-learning in engineering training (Construction Process Management)</p> <p><b>Safety and Security of Peacekeepers, including medical:</b> Contribute to the telemedicine project</p> <p><b>Women, Peace and Security:</b> Deploy women Japan Self-Defense Forces personnel, as instructors, to the Field Medical Assistant Course (FMAC) under the TPP</p> <p><b>Technology:</b> Contribute to the Counter-Unmanned Aerial Systems (UAS) training course at the United Nations C4ISR Academy</p> <p><b>Funding:</b> Contribute to the Action for Peacekeeping Plus (A4P+) Monitoring; and support peacebuilding and conflict prevention initiatives, including transition support, through contributions to the Peacebuilding Fund (PBF)</p> <p><b>Other:</b> Contribute to strengthen Peacebuilding Commission's (PBC) role as an advisory body to the General Assembly and the Security Council; contribute to strengthening an integrated approach to peacebuilding in the transition and withdrawal phases of PKOs, further utilizing the PBC's advisory, bridging, and convening roles, and enhancing cooperation with other UN agencies and international financial institutions; train experts to support the transition from peacekeeping to peacebuilding; implement support in areas such as political processes, dialogue and reconciliation with local communities, social participation of women and youth, refugees and displaced persons, and business</p>
<b>Kazakhstan</b>	<b>Uniformed Capabilities:</b> Strategic Airlift (A400M aircraft)

<b>Kenya</b>	<p><b>Uniformed Capabilities:</b> One Heavy Transport Company; one Attack and Armed Helicopter Unit; and one ISR Unit/UAS unit</p> <p><b>Peacekeeping Training, Capacity Building, and Partnerships:</b> Provide trainers to the UNMAS Improvised Explosive Device (IED) threat mitigation advisory team/mobile training team; provide Mobile Training Team (MTT) for Explosive Ordnance Disposal (EOD) and Counter-EID (C-IED) training and weapons Ammunition Management (WAM) training; support to TCCs/Member States that need to build National C-IED and EOD capacity; host or provide trainers for weapons and ammunition management (WAM) training in the UN manual on ammunition management (UNMAM); and Support C-IED and EOD training for Triangular Partnership Programme (TPP)</p>
<b>Latvia</b>	<p><b>Uniformed Capabilities:</b> One Force Protection Platoon and CIMIC specialists to UNIFIL</p> <p><b>Women, Peace and Security:</b> Contribution to increasing the number of women personnel in UN peacekeeping missions</p>
<b>Lebanon</b>	<p><b>Women, Peace and Security:</b> Raise awareness for the protection against conflict-related sexual violence and violations against women</p>
<b>Lesotho</b>	<p><b>Uniformed Capabilities:</b> One Infantry Company; Staff Officers; Military Observers, Police Officers; and Correctional Service Personnel</p> <p><b>Safety and Security of Peacekeepers, including medical:</b> Provide 5 Medical Doctors, 10 Nursing Staff, and 10 paramedics</p>
<b>Liberia</b>	<p><b>Uniformed Capabilities:</b> One Motorized Inf Coy, one Quick Reaction Force Company, one Base Defense Company, military staff officers, military observers and individual police officers</p> <p><b>Peacekeeping Training, Capacity Building, and Partnerships:</b> Support Lessons Learned activities on transition of peacekeeping</p>

<b>Malawi</b>	<b>Uniform Capabilities:</b> One Mechanized Infantry Battalion; one Military Police Company; two Mixed Engagement Teams; and two Platoons of Formed Police with 30% women representation
<b>Malaysia</b>	<p><b>Uniformed Capabilities:</b> One Infantry Battalion; one Formed Police Unit; and Individual Police Officers</p> <p><b>Peacekeeping Training, Capacity Building, and Partnerships:</b> Organize a Training of Trainers course for UN Staff Officers Specialized Training Materials (STM); prepare Mobile Training Teams (MTT) for Basic Life Support and Mental Health Awareness for training of medical personnels</p> <p><b>Safety and Security of Peacekeepers, including medical:</b> Enhance the Malaysian Battalion (MALBATT)'s Explosive Ordnance Disposal (EOD) capability in Lebanon UNIFIL</p> <p><b>Women, Peace and Security:</b> Progressively increase the participation of women peacekeepers in line with Uniformed Gender Parity Strategy</p>
<b>Mexico</b>	<p><b>Uniformed Capabilities:</b> Individual Police Officers, elevate one engineering company to PCRS Level 3</p> <p><b>Peacekeeping Training, Capacity Building, and Partnerships:</b> Deliver a Regional Peace Operations Course</p> <p><b>Women, Peace and Security:</b> Develop the Second National Action Plan on Women, Peace and Security</p>
<b>Mongolia</b>	<p><b>Uniformed Capabilities:</b> Elevate the Level 2 Hospital and the Quick Reaction Force Company to PCRS Level 3</p> <p><b>Peacekeeping Training, Capacity Building, and Partnerships:</b> Provide a Mobile Training Team to conduct pre-deployment training and ToT</p> <p><b>Women, Peace and Security:</b> Increase the participation of women peacekeepers to 15%</p>
<b>Morocco</b>	<b>Uniform capabilities:</b> One Quick Reaction Force Company

	<p><b>Peacekeeping Training, Capacity Building, and Partnerships:</b> Co-organization of trainings in collaboration with international partners, including the Triangular Partnership Program (HEE and FMAC), ITS (UNSOC 2025), and UNMAS (EHAT) and UN Women (WMPOC). Deployment of ITS-certified trainers and military experts for training and workshops organized by the UN and/or other international partners</p> <p><b>Security and safety of peacekeepers, including medical support:</b> Deployment of experts in the fields of Networks and Telecommunications, Cyber Security, Digital Investigation and CIS Technology; Deployment of a mobile psycho-medical support team to support a T/PCCs through the coordination of the LCM</p> <p><b>Environment:</b> Deployment of static and mobile solar stations</p> <p><b>Women, Peace and Security:</b> Gradual increase of women contingent members and mission expert every year; Organization and hosting trainings on the "Women, Peace and Security" agenda</p> <p><b>Funding:</b> Co-funding of peace operations training activities in Morocco and abroad</p> <p><b>Other:</b> Translation into French of the training materials such as the 2025 UNSOC STM and UN Buddy mobile application</p>
<b>Nepal</b>	<p><b>Uniformed Capabilities:</b> One women-led FPU; Police Canine Capability, Specialized Police Teams in community-oriented policing, environment crime, public order management, border policing and protection of civilians; and Individual Police Officers</p> <p><b>Peacekeeping Training, Capacity Building, and Partnerships:</b> Prepare a Mobile Training Team (MTT) for police training; host a PCRS RDL workshop; host one ToT for UN Infantry Battalion (UNIBAT) Specialized Training Materials, UN Staff Officer Specialized Training Materials, UN Military Observer Specialized Training Materials (only one ToT among three ToTs in 2026 and only one ToT among three ToTs in 2027); support Police Contributing Countries (PCCs) with pre-selection Assistance and Assessment Team (SAAT) training, New Job Specific Trainings including UN Women Pre-SAAT Training; host FPU Command Staff Courses (FPU CSC)</p>

**Safety and Security of Peacekeepers, including medical:** Support the Peacekeeping Intelligence Academy (PKIA) with PDT for Military Peacekeeping Intelligence (MPKI); prepare Advisory Team / Mobile Training Team for UNMAS Improvised Explosive Devices (IED) Threat Mitigation efforts; support the Triangular Partnership Programme (TPP) with C-IED training , development of telemedicine capabilities; implement Earth Med in all Level 1+ hospitals deployed; and translate of Field Medical Assistants Course (FMAC) Materials into Command language

**Conduct:** Integrate UN Reinforcement Training Programme into pre-deployment training for commanders; provide technical expertise to support the enhancement of strategic policy and operational administration of allegations of misconduct, including pending paternity claims; and contribute to Trust Fund for victims of SEA (\$16,000)

**Environment:** Deploy renewable energy systems at one or more locations in triangular support or bilateral support; and implement water conservation, and energy-efficient systems

**Women, Peace and Security:** Ensure all Commanding Officers deployed to UN Peacekeeping are trained on gender-responsive leadership; train Military Gender Advisors; integrate gender equality and WPS deliverables in all pre-deployment training; deploy engagement platoons consisting of 50% women in all infantry units with Protection of Civilians mandates; and maintain database of women eligible for deployment

**Technology:** Deploy technical uniformed personnel with expertise in data management and analysis to peacekeeping missions for strengthening data operations and improving situational awareness. Deploy all staff with foundational data skills. Provide trained Police personnel equipped with drones for aerial surveillance security purposes.

**Strategic Communications and Information integrity:** Conduct induction and in-mission refresher training on Mis/Disinformation and hate speech.

<b>Netherlands</b>	<p><b>Peacekeeping Training, Capacity Building, and Partnerships:</b> Establish strategic partnership with the UN Peacekeeping Intelligence Academy (PKIA) to conduct trainings on Peacekeeping Intelligence, together with Germany; contribute a Subject Matter Expert to the Artillery Manual Working Group; financial contribution to the Light Coordination Mechanism (LCM), to the United Nations Mission Advanced Staff Training (MAST) and to the Comprehensive Planning and Performance Assessment System (CPAS); establish strategic partnerships in Protection of Civilians with the Center for Civilians in Conflict (CIVIC), Nonviolent Peaceforce (NP), PAX and International Peace Institute (IPI)</p> <p><b>Women, Peace and Security:</b> Financial contribution to the Elsie Initiative Fund (EIF) for Women in Peacekeeping</p> <p><b>Other:</b> Financial contribution to the project Civilian Harm Mitigation (CHM): Strengthening Measures in UN Peacekeeping</p>
<b>Nigeria</b>	<p><b>Uniformed Capabilities:</b> One Airfield Unit; one Level 2 Field Hospital; provide Subject Matter Experts (Intelligence, Base Defence and Force protection, Investigation, Conduct and Discipline); and one Command and Control/Intelligence Surveillance and Reconnaissance Unit</p> <p><b>Peacekeeping Training, Capacity Building, and Partnerships:</b> Host foreign participants in international peacekeeping training courses</p>
<b>Norway</b>	<p><b>Peacekeeping Training, Capacity Building, and Partnerships:</b> Funding Training of Trainers Course on Addressing Mis/disinformation, malinformation and hate speech; contribute Mobile Training Team; and Police training instructors</p> <p><b>Women, Peace and Security:</b> Financial contributions to advancing implementation of the Conflict-Related Sexual Violence mandate</p> <p><b>Technology:</b> Funding to support the Digital Transformation Strategy</p>

	<p><b>Strategic Communications and Information integrity:</b> Funding of project aimed at addressing mis- and disinformation.</p> <p><b>Funding:</b> Financial contributions to UN police and peacekeeping-Intelligence; and for the Strategic Force Generation and Capability Planning Cell</p> <p><b>Other:</b> Funding implementation and mainstreaming child protection mandates; a project on Prevention of Relapse into Conflict and Sustaining Peace; and National Authorities and United Nations Field Presence to Advance Criminal Justice Processes Necessary for Sustainable Peace</p>
<b>Pakistan</b>	<p><b>Uniformed Capabilities:</b> One Rapid Reaction Police Unit (RRPU); one Level 2 Hospital; and one Bridging Platoon</p> <p><b>Peacekeeping Training, Capacity Building, and Partnerships:</b> Host training for Uniformed Trainers on addressing MDH Threats; conduct courses on C-IED, HEE Operators, FMAC, and UN Military Observer Specialized Training Material (STM) ToT; and provide EPR/ MREs for peacekeepers/ humanitarian assistance</p> <p><b>Safety and Security of Peacekeepers, including medical:</b> Organize workshop on the action plan for improving security for peacekeepers; provide eco-friendly portable incinerator for disposal of small arms ammunition; host and provide trainers for WAM training and support development of telemedicine capabilities in missions</p> <p><b>Conduct:</b> Adopt Conduct and Discipline Action Plan</p> <p><b>Environment:</b> Host a TCC workshop on climate adaptation for UNPKOs; deploy Renewable Energy Systems with every new deployment and deploy Hospital Waste Disposal Incinerator with Level 2+ Hospital in MINUSCA</p> <p><b>Women, Peace and Security:</b> Host the WMPOC Course in 2026 and 2027</p>

	<p><b>Technology:</b> Provide comprehensive data literacy training for peacekeeping personnel at all levels and deploy tactical drones, body and vehicle cams with units to maintain detection capability, transparency and situational awareness</p> <p><b>Strategic Communications and Information integrity:</b> Host round table meeting between DPO and Member States to share best practices and lessons learnt from Member States and approaches to MDH</p> <p><b>Other:</b> Donate Water Treatment Plants to local communities on closure of missions (17 x Water Treatment Plants already donated in DRC); and development/ construction of Waste Management Yards in MINUSCA</p>
<b>Peru</b>	<p><b>Uniformed capabilities:</b> Reconfigure the MINUSCA Airfield Construction and Maintenance Company into a Multirole Engineering Company; and Specialized Police Teams in the prevention of sexual and gender-based violence and forensic expertise</p> <p><b>Peacekeeping Training, Capacity Building, and Partnerships:</b> Deliver Peacekeeping Training Courses: UN Military Observer Course and UN Staff Officers Course; embed partner countries with individual personnel as part in the Peruvian Engineering Company deployed in MINUSCA; provide trainer of trainers to support training for UN Engagement Platoon and Protection of Civilians</p>
<b>Philippines</b>	<p><b>Uniformed capabilities:</b> One Light Infantry Battalion (LIB); one women-led Formed Police Unit (FPU) with three all-women Platoons; and Military Observers and Military Staff Officers</p> <p><b>Peacekeeping Training, Capacity Building, and Partnerships:</b> Host UN Triangular Partnership Program (TPP) Training Courses in the ASEAN Region</p>
<b>Poland</b>	<p><b>Peacekeeping Training, Capacity Building, and Partnerships:</b> Deliver the United Nations Military Observers Course</p> <p><b>Women, Peace and Security:</b> Increase participation of women in UN Peacekeeping missions</p>
<b>Portugal</b>	<p><b>Uniformed capabilities:</b> One Specialized Police Team on public order management</p>

	<p><b>Peacekeeping Training, Capacity Building, and Partnerships:</b> Host or provide (in situ) expertise for training on environmental and climate-related risks; financial contribution of 50,000 EUR for the Triangular Partnerships Program (TPP) for telemedicine initiative</p> <p><b>Environment:</b> Host a T/PCC workshop/learning initiative on “climate adaptation” for UNPKOs; and support the improvement of sanitation in missions through the mobilization of 25,000 EUR</p> <p><b>Women, Peace and Security:</b> Host a Senior Women Talent Pipeline training course through the mobilization of 50,000 EUR</p>
<b>Republic of Korea</b>	<p><b>Peacekeeping Training, Capacity Building, and Partnerships:</b> Support the UN Instructor Training Course until 2030; support for Heavy Engineering Equipment (HEE) training under the Triangular Partnership Programme and strengthen counter-IED and medical capabilities</p> <p><b>Safety and Security of Peacekeepers, including medical:</b> Install an Intelligent Perimeter Surveillance System, including CCTV and integrated control as part of the UN Smart Camp Initiative</p> <p><b>Environment:</b> Introduce a sustainable water supply and energy system in UNMISS under the UN Smart Camp Initiative</p> <p><b>Women, Peace and Security:</b> Support for the UN Women Officer's Training Course from until 2030; and contribute \$482,000 to the Elsie Initiative</p> <p><b>Technology:</b> Establish a Smart Camp for the Hanbit Unit in UNMISS</p> <p><b>Funding:</b> Contribute \$2.86 million to extra-budgetary funds for DPO and DOS; \$3.20 million to DPPA multi-year appeal; \$7.16 million to the Peacebuilding Fund; and \$3.30 million to the AU PAPS (Political Affairs, Peace and Security).</p>

<b>Senegal</b>	<p><b>Uniformed capabilities:</b> one Multirole Engineering company (with possible bridging capacity); one Level 2 Hospital and one Aircraft CASA-295 on standby or on-call</p> <p><b>Peacekeeping Training, Capacity Building, and Partnerships:</b> Host francophone training and courses on Military Gender Adviser, Force Protection, Engagement Platoon, Protection of civilians, and C-IED</p> <p><b>Women, Peace and Security:</b> Deploy UN certified and experienced women military gender advisers; increase the number of deployed women justice and corrections experts; maintain 2 FPU as gender strong units, while reaching the UGPS targets for all deployed police units</p>
<b>Slovakia</b>	<p><b>Peacekeeping Training, Capacity Building, and Partnerships:</b> Host Infantry Battalions Specialized Training (UNIBAT)</p> <p><b>Women, Peace and Security:</b> Meet the 2025 target of 12% women in the deployment in UNFICYP; and 25% women among Individual Police Officers (IPOs)</p>
<b>Slovenia</b>	<p><b>Peacekeeping Training, Capacity Building, and Partnerships:</b> Donation of UAS (Class I Drones) including related training (1.5 M EUR); and 190,000 EUR in funding for 2025 and 2026 to support pre-deployment training</p> <p><b>Safety and Security of Peacekeepers, including medical:</b> Provision of 1,000 Buddy First Aid Kits (BFAKs)</p> <p><b>Women, Peace and Security:</b> Voluntary contribution of 10,000 EUR to support the UN Women's activities in WPS</p> <p><b>Technology:</b> Provide expertise in the area of UN Smart Camp technologies and solutions.</p> <p><b>Funding :</b> 50,000 EUR extra-budgetary (XB) funding to DPO and DOS; and 15,000 EUR for UN Team of Experts on the Rule of Law and Sexual Violence in Conflict to support activities in DRC.</p>

<b>South Africa</b>	<p><b>Uniformed capabilities:</b> Deploy Engagement Platoons for all future operations; Staff Officers, Military Gender Advisers and Military Protection Advisers</p> <p><b>Peacekeeping Training, Capacity Building, and Partnerships:</b> Host Mission Advanced Staff Training (MAST) in 2026, the UN Staff Officer Specialized Training Materials (STM) ToT in 2026 and 2027, the Women’s Military Peace Operations Course (WMPOC) in 2026 and 2027, the UN Military Observers STM ToT in 2026 and 2027; and provide in-Mission Mobile Training Teams</p> <p><b>Safety and Security of Peacekeepers, including medical:</b> Support UNMAS improvised explosive devices (IED) Threat Mitigation Advisory Team / mobile training team; support the development and delivery of peacekeeping-intelligence (PKI) and early warning (EW) training; establish bilateral support to Member States that need to build national C-IED capacity</p> <p><b>Conduct:</b> Contribute towards the SEA Trust Fund; develop and adopt Conduct and Discipline action plans; engage with Conduct and Discipline Section to share information and good practices related to the prevention of SEA</p> <p><b>Women, Peace and Security:</b> Host cross-mission learning forums on lessons learnt and good practices on supporting women’s participation in peace and political processes; nominate men and women in Senior Leadership positions to accelerate gender equality and WPS commitments; provide training to Military Gender Advisers; provide capacity to develop a pipeline for mid to senior level uniformed women; undertake barrier assessments to the full, equal and meaningful participation of women, including in leadership positions; establish national mentoring/networking programmes that involve previously deployed women</p> <p><b>Other:</b> Provide COE as an Equipment Contributing Country (ECC)</p>
<b>Spain</b>	<p><b>Uniformed Capabilities:</b> One EOD Team to UNIFIL</p>
<b>Sri Lanka</b>	<p><b>Uniformed Capabilities:</b> One Engineer Construction Company; and one Quick Reaction Force Company</p>

	<p><b>Peacekeeping Training, Capacity Building, and Partnerships:</b> Provide Military Mobile Training Teams, through the Light Coordination Mechanism (LCM), on Buddy First Aid, Convoy Operations, Close Air Support/Vertical Troop Insertion, and Weapons Training; Provide training facilities for the Triangular Partnership Programme (TPP)</p> <p><b>Conduct:</b> Deploy Conduct and Discipline officers</p> <p><b>Environment:</b> Deploy military environmental management officers</p>
<b>Sweden</b>	<p><b>Peacekeeping Training, Capacity Building, and Partnerships:</b> Support UN Staff Officers Course (UNSOC) trainings; integrate a Mis-/Dis-/Malign Information and Hate Speech module into UNSOC courses; facilitate UNSOC with TOT in Sweden; facilitate Simulated Junior Officer Tactical Course; support on TOT-concept for counter-IED and counterinsurgency; offer to provide a specialized training course on gender analysis to OMA; support pre-deployment training through the LCM; support corrections-specific pre-deployment trainings; provide secondment to UNODC to support enhanced cooperation &amp; engagement within IATF-P on police capacity building; lead on establishing a Senior Advisory Group together with other TCCs to offer military expertise to OMA on enhancement of UN policies &amp; capabilities</p> <p><b>Women, Peace and Security:</b> Lead the establishment of a Senior Advisory Group to accelerate prevention &amp; elimination of SEA; help develop training packages related to the prevention of SEA</p> <p><b>Funding:</b> Support to projects aimed at strengthening UN peacekeeping operational effect, efficiency &amp; credibility</p> <p><b>Other:</b> Provide seconded expert in strategic and integrated planning and/or strategic partnerships and women corrections officers; support UN Gender Parity Strategy &amp; initiative through Trailblazer Award; contribute short term secondments through the standing capacity of JCSC; support UN operations with essential equipment required where relevant</p>
<b>Switzerland</b>	<p><b>Peacekeeping Training, Capacity Building, and Partnerships:</b> Host workshops and courses in the areas of: Core Pre-deployment Training Materials, Military Observers, Staff Officers, Humanitarian Civil-Military</p>

	<p>Coordination Skills Trainings, DDR and SSR, Military Performance and Evaluation, Community Violence Reduction (CVR), Misinformation and Disinformation (MDMH); host workshop series on Missions and Mandates with IPI, Counter-UAS Guidelines, Police Division AMS Seminar; contribute to courses on: SSR &amp; DDR, International Humanitarian Law, Senior Mission Leadership, Protection of Civilians and Military Peacekeeping Intelligence; and support personnel to the Triangular Partnership Programme (TPP) and humanitarian demining specialists (UNMAS)</p> <p><b>Technology:</b> Implement the revised Core Pre-deployment Training Materials (CPTM) in a Web Based Training available to all Member States</p>
<b>Thailand</b>	<p><b>Uniformed Capabilities:</b> One EOD unit</p> <p><b>Peacekeeping Training, Capacity Building, and Partnerships:</b> Host the Triangular Partnership Programme (TPP) 2027 - 2028 training and UN courses</p> <p><b>Women, Peace and Security:</b> Maintain at least 30% women Individual Uniformed Personnel (IUP); and provide gender-sensitive accommodations and facilities in the Horizontal Military Engineer Company (HMEC)</p>
<b>Togo</b>	<p><b>Uniformed Capabilities:</b> One Quick Reaction Force Company</p> <p><b>Peacekeeping Training, Capacity Building, and Partnerships:</b> Provide facilities at the Peacekeeping Training Center for regional seminars</p>
<b>Tunisia</b>	<p><b>Peacekeeping Training, Capacity Building, and Partnerships:</b> Host an International Conference on the Role of the Armed Forces in Protection of Civilians in Peacekeeping Operations; organize a workshop on expertise for the establishment of Smart Camps; and host an international planning exercise on planning and management of natural disaster response</p>
<b>Türkiye</b>	<p><b>Uniformed capabilities:</b> Air lift (transportation aircraft) for MINUSCA</p>

	<p><b>Peacekeeping Training, Capacity Building, and Partnerships:</b> Maritime Security and Counter Piracy Course, Maritime Security Operations Staff Officer Course, Irregular Migration Course, Cyber Intelligence in Maritime Security Operations Course, Maritime C-IED Awareness Course, Naval Cooperation and Guidance for Shipping Course, Chemical, Biological, Radiological and Nuclear Defense Course</p>
<p><b>United Kingdom of Great Britain and Northern Ireland</b></p>	<p><b>Peacekeeping Training, Capacity Building, and Partnerships:</b> £125k to fund the Peacekeeping Operations Training Institute (POTI) to deliver online courses, geared where possible towards countering mis- and disinformation; and organise and co-host a workshop for military and civilian planners, in collaboration with Denmark and the Eastern Africa Standby Force; deliver a new workshop on the PCRS rapid deployment level; and continue to work with African T/PCCs to support the development and deployment of Engagement Teams</p> <p><b>Safety and Security of Peacekeepers, including medical:</b> Help African Member States build national counter-IED capacity for employment on Peace Support Operations</p> <p><b>Conduct:</b> £150k to support the roll-out of a UN reinforcement training package for commanders on conduct, discipline, and preventing sexual exploitation and abuse; £200k to Paternity and Child Support Claims; and £150k to SEA Victims Trust Fund.</p> <p><b>Women, Peace and Security:</b> £100k to fund and co-host one UN Women Military Peace Operations Course with Austria and Kenya; and £500k to support the Elsie Initiative Fund (EIF),</p> <p><b>Strategic Communications and Information integrity:</b> Continue to provide specialised training, including through new partnerships with the Netherlands and Germany, on Peacekeeping Intelligence; and support the UN Peacekeeping Intelligence Coordination Team by funding and running military peacekeeping intelligence courses, from Entebbe, Uganda; and £150k to the Addressing Mis and Disinformation and Hate Speech project</p> <p><b>Other:</b> £200k to fund the UN Action For Peacekeeping Plus (A4P+) Data Analytics project</p>

<b>United Republic of Tanzania</b>	<p><b>Uniformed capabilities:</b> One Infantry Battalion; senior personnel for leadership roles; and military and police staff officers and observers.</p> <p><b>Peacekeeping Training, Capacity Building, and Partnerships:</b> Host International Courses in partnership with the UN and Member States</p> <p><b>Conduct:</b> Continued deployment of well-trained and disciplined peacekeepers and ensuring logistical readiness of peacekeepers</p>
<b>Uruguay</b>	<p><b>Peacekeeping Training, Capacity Building, and Partnerships:</b> Provide training courses on: Protection of Civilians, Child Protection, UN Infantry Battalion and Woman Peace and Security</p>
<b>Zambia</b>	<p><b>Uniformed Capabilities:</b> One Military Police Company; two Platoons Mixed Engagement Teams; and one Air Ambulance</p>
